Villa La Costa – Where Ibiza
Dreams Begin.

Villa La Costa

Direct access to the sea!

Villa La Costa enjoys a wonderful Cap Martinet location – stay here and you'll wake to delightful sea views every day.

The bars and restaurants of Ibiza Town are just minutes away, and the golden sands of Playa Talamanca are just a mile's stroll. You might be just around the corner from Marina Botafoch, but you'd never know it while you relax on Villa La Costa's stylish terraces. The tall pine trees and frothy palms lend the property a secluded air and the sparkling blue waters of the Mediterranean stretch out peacefully before you.

At dusk, watch the sunset over the surrounding pine forests from the comfort of the terrace's sofa seating or enjoy a meal with friends under the stars under the shelter of the contemporary-styled pergola.

Can Arte and Blakstad San Rafael

From the sprawling hilltop estate of Can Arte, you enjoy fabulous views of the Morna Valley. Sitting between the village of San Carlos and the resort of Santa Eulalia to the east of the island, this is a beautiful spot; ideal for exploring the pretty villages of the north and beaches of Ibiza's east coast.

Can Arte perches atop the Atzaro mountain amongst 17,000m² of private grounds. 10,000m² of the grounds are given over to forest – home to three donkeys.

Elsewhere, you'll discover a Balinese massage temple, flower-entwined pergolas, shady terraces and a myriad of beautiful places to relax.

Blakstad San Rafael is built in line with Blakstad's view of maintaining a local, centuries old traditional style of Ibizencan architecture, albeit with fantastic modern features. It is perfectly located in a tranquil location not far away from San Rafael. Sitting in 33,000 square metres of the central Ibizan countryside, it has seven acres of woodland, terraced orchards and a torrent running through the land. With its

central location it allows easy access to Ibiza Town or the beaches of the north and east.

The house exudes understated luxury and whilst maintaining many green, eco-conscious feature's, it also provides the latest technology, security and efficiency that any modern holiday maker could want. The garden features a stunning 22m by 5m pool, perfect for long daily swims or lounging with the family. The BBQ area has an outside dining area and kitchen and leads on to a wide open terraced area of lawn and shade. This property boasts five stunning double bedrooms all furnished to a very high standard. Each bedroom has an en-suite bathroom, spacious wardrobes and are all fully air conditioned.
